

Migration from Enerdata.com

Dear Subscriber,

At S&P Global Platts, we continuously strive to provide world class delivery of commodity news, insight, and market data.

We want to inform you of the upcoming Enerdata.com Website migration to the Platts Dimensions Pro (PDP) Platform to enhance your experience further.

To provide an optimized experience for our users, we will be migrating you from the legacy Enerdata.com website to the Platts Dimensions Pro (PDP) website by June 30, 2022.

In the next several weeks, you will be receiving an email from the Platts Dimensions Pro (PDP) system to setup your account and access the ICE NGX/CGPR Daily and Monthly Reports.

If you have any questions or concerns, please contact us at 1-800-752-8878 or e-mail [**support@platts.com**](mailto:support@platts.com).
